Rotary Action Groups Annual Report

We thank you for your time spent taking this survey.
Your response has been recorded.

Below is a summary of your responses   [Download PDF](#)

Rotary Action Groups are one of the most important project resources throughout the Rotary world. With your support, Rotary club and district projects are more scalable and sustainable and Rotary's image and impact is growing around the globe. It is important that we report on our actions each year. Action Groups are asked to complete and submit their annual reports before 1 October.

The purpose of the annual report is twofold:
(1) To ensure each Action Group is compliant with the requirements articulated in the Rotary Code of Policies, Section 42.030; and (2) To gather useful information that can be shared with clubs and districts so they understand what type of support Rotary Action Groups can provide to their service projects

Please note: failure to complete this survey and submit an annual report by 1 October will result in immediate suspension.

To prepare in advance, you may view a copy of the questions. Please submit your answers via Qualtrics survey.
